RECOMMENDATION

CAUTION

RISK SCORE

72 / 100

PRICE FAIRNESS

Possibly underpriced

AI summary

This listing describes a used smartphone offered well below typical resale value, with limited seller verification detail provided so far.

Risk indicators

- Price unusually low
- Seller urgency language
- Limited verification evidence provided

Suggested seller questions

1. Can you provide proof of purchase?

2. Why is the price lower than similar listings?

3. Can we meet in a safe public location?
